1	Public Participation None	Action
2	Apologies Received	
2	Cllr Duncan Rogers, NYC Cllr Annabel Wilkinson	
3	Dispensations and Declarations of Interest	
3	None	
4	Approval of Minutes of the previous meeting:	
•	Monday 3 rd February 2025 approved with a slight amendment.	
5	Matters Arising:	
a)		
a)	Memorandum of Understanding (MOU) has been sent to Broadacres. Minor amendments are required for the builder's MOU, including provisions for the builder to purchase materials and request a VAT invoice, and the use of the garage for a period of up to 10 years.	
	Cllr DP will make the necessary amendments and forward the revised MOU to the builder. Resolved: That Cllr DP will amend the builder's MOU as required and forward it accordingly.	DP
b)	Parish Council Emails (.gov.uk) – Cllr KB will begin the transition process with the Clerk. Cllr	DF
IJ)	KB and Cllr SD have already been set up. Consideration is required for mail folders and how to retain them within the new email system.	
	Resolved: That KB will commence the email transition with the Clerk and review the	КВ
	management of mail folders.	
c)	VE Day: No response has been received from Richmond and Northallerton MP Rishi Sunak regarding the tribute request. Therefore, Honorary Chaplain to the King, Simon Golding CBE, will be invited to deliver the tribute. The Lamp of Peace has been purchased for £55 but has not yet arrived; it will be used by the Town Crier, at the School Assembly, and during the evening event. A receipt for the payment has been provided by Cllr SD and agreed to be reimbursed by the Parish Council. A microphone will be required between 7pm and 9pm – Cllr KB will enquire with the school. The Clerk will arrange first aid cover. The Parish Council will provide a prize for the best-dressed participant. Volunteers are sought to assist with bunting and gazebos. Resolved: That arrangements for the tribute, microphone, first aid cover, and best-dressed prize proceed as outlined. Volunteers for bunting and gazebos to be sought.	SD
d)	School signage quote: Cllr KB has investigated signage options, but costs are high. The sign is intended to direct people to park within the ARA parking area. Consideration is needed regarding who will be responsible for opening and closing the gate. The cost of signage is estimated between £150 and £200 per sign, with smaller signs available for £50, though additional fixings would be required. Cllrs RH and JMcR will formally discuss the matter with the school before proceeding with next steps.	
	Resolved: That Cllrs RH and JMcR will liaise with the school regarding the signage before further action is taken.	RH/JMcl
e)	Defibrillator: Discussions were held regarding the relocation of the defibrillator, which needs to be repositioned on the village green. It was proposed that the defibrillator be placed on the right-hand side of the bus shelter and a new bracket would cost £120. It was agreed that neighbours would be informed about the relocation of the defibrillator.	

Minutes approved on Chair's signature

	discussed, particularly regarding any objections.	
	Resolved : That Cllr KB will sign the necessary documents and send them off to proceed with	KB
	the registration process.	
d)	20mph Sign Obstruction at Lord Nelson: It was noted that the 20mph sign near the Lord	
	Nelson pub is obstructing access for pushchairs and wheelchairs. Highways need to be	
	notified.	
	Resolved: That Cllr DP will draft a letter to be sent to the Clerk to follow up with Highways	DP
	on this issue.	
e)	Road Condition Between Appleton Wiske and Swallowfields (Picton Road): The dangerous	
	condition of the road between was discussed. Cllr DP reported having written to Highways,	
	but the website states that the service has been fulfilled, despite no visible action being	
	taken.	
	Resolved: That Cllr DP to seek clarification on what "service fulfilled" means and to follow up	DP
	with Highways for further action.	
)	Planning:	
	To Consider Planning:	
	i. ZB23/01880/FUL: Construction of nine dwellings, Village Farm	
	An update was provided. A letter has been sent to Yorkshire Water regarding the	
	capacity of the sewage works, but no response has been received.	
	Resolved: The Clerk to chase for a response.	Clerk
	ii. Section 119 Highways Act 1980 Public Path Order HAM-2022-15-DO: Footpath	0.0
	Consultation at Hill House Farm	
	The proposal seeks to divert the public footpath due to health and safety concerns. Cllrs	
	RH, DR, and KB walked the path and found it satisfactory, with gates to be placed	
	appropriately and a bridge over a ditch. Discussions were held regarding the necessity of	
	the diversion, with concerns raised about setting a precedent for other landholders. One	
	councillor objected, questioning the justification for the change. Concerns were also	
	raised about correspondence being forwarded to the County Councillor without	
	permission.	
	Resolved: The majority were in favour of the proposal, and no further observations were	
	made.	
	iii. ZB25/00135/FUL – Conversion of the Former Shorthorn Inn, Hornby Road	
	The application proposes the conversion of the existing public house into a single	
	dwelling, including the demolition of existing single-storey extensions, erection of new	
	single-storey extensions, and alterations to fenestration and materials.	
	Resolved: No observations.	
	iv. ZB25/00281/FUL – Retrospective Application for Construction of a Steel-Framed Portal	
	Building	
	The application seeks retrospective approval for the construction of a steel-framed	
	portal building for the storage of animal feed and agricultural machinery, along with the	
	formation of an access road.	
	Resolved: No observations.	
*	v. ZB24/02455/HYB – Battery Energy Storage System (BESS), Land North of Haggitt Hill	
	Lane, East Rounton	
	Cllr DP provided detailed information regarding potential hazards, including fire risks,	
	evacuation zones, and water runoff concerns. A letter has already been submitted and is	
	available on the website. Discussions were held on the importance of having a	
	representative present when the application goes to planning. Questions were raised

	 i. Bollards for Village Green: A discussion was had on village bollards, focusing on areas where access to the village green needs to be controlled, starting with the area around the shop where white stones are currently placed. The possibility of flaring driveways was considered; this remains an option for residents. If not pursued, bollards or alternative methods will be required. Wooden posts and chains were suggested as a possible solution. Resolved: That wooden posts and chains be the preferred option for the area around the shop, with potential funding from CIL monies. It was suggested that CIL funding be included as an agenda item for the Parish Meeting. A final decision on installation will be deferred until after the relocation of the shop. ii.
